BROCHURE 2018.

BMW R NINE T PURE.

MAKE LIFE A RIDE.

OVERVIEW.

Minimalist. Athletic. Customisable. The BMW R nineT Pure is perfect for fans of the classic roadster. It's inspired by the motorcycles of old, which had no fairing. But it leaves no stone unturned when it comes to modern-day safety features and ergonomics. Its balanced suspension deftly applies the 116 Nm of torque from the lively air-cooled boxer engine onto the road. This isn't just the gateway to the world of classic BMW Motorrad bikes – it's a blank canvas with which you can fully express yourself. A range of carefully selected components – some of which are crafted by hand – give you licence to get hands-on and create the bike of your dreams.

BMW MOTORRAD SERVICE _____ **30-31**

Illustrations of Original BMW Motorrad accessories are partially based on the BMW R nineT Scrambler, the BMW R nineT and/or predecessor models.

The single seats are all waterproof and finished to the highest quality. The focus of the design is to provide an authentic look and feel, which is why clothing such as dark jeans may stain the seat. Stains of this kind and other discolourations are considered a desirable patina, and do not constitute defects.

MODEL COLOURS.

NOY Paintwork in Catalano Grey/Seat in Black/Frame in Matt Black

STANDARD EQUIPMENT.

BMW R nineT Pure

Ignition key model code: 0J11

Engine/drive

- Air/oil-cooled, four-stroke twin-cylinder boxer engine with balance shaft
- DOHC cylinder head with four radial valves
- Capacity: 1,170 cc
- Max. output: 110 hp (81 kW) at 7,750 rpm
- Max. torque: 116 Nm at 6,000 rpm
- Digital engine management with overrun cut-off and electronic intake pipe fuel injection; twin-spark ignition
- Regulated three-way catalytic converter with oxygen sensor
- Two-in-one stainless steel exhaust system
- Magnesium cylinder head covers
- Six-speed helical synchromesh gearbox
- Shaft drive
- Compliant with Euro 4 emissions standard

Dimensions/weight

- Length: 2,105 mm
- Height including mirrors/(width including mirrors): 1,240 mm/(900 mm)
- Wheelbase: 1,493 mm
- Unladen weight, fully fuelled/road-ready: 219 kg
According to guideline VO (EU) 168/2013 with all equipment, with standard equipment, and filled to at least 90% of the usable tank capacity.
- Permitted total weight: 430 kg
- Max. load (with standard equipment): 211 kg
- Usable tank capacity (of which reserve): 17 l (approx. 3.5 l)

Performance / fuel consumption

- Max. speed: over 200 km/h
- Fuel consumption per 100 km according to WMTC: 5.3 litres
- Fuel type: Premium unleaded petrol, 95–98 octane (RON); (with knock control; max. output achieved with 98 octane RON fuel); 91 octane (RON) available as an option (option code 639)

Chassis

- BMW Motorrad ABS
- Telescopic fork, front (diameter 43 mm, travel 125 mm)
- Die-cast aluminium single swing-arm with BMW Motorrad Paralever, rear (travel 120 mm)
 - central spring strut, spring pre-load continuously adjustable via hook wrench
 - continuously adjustable rebound damping
- Double disc brakes at front with four-piston fixed calipers (diameter 320 mm)
- Single disc brake with double-piston floating caliper, rear (diameter 265 mm)
- Double-buttet aluminium handlebars, without cross support
- 5-spoke cast aluminium wheels (120/70 ZR17 front, 180/55 ZR17 rear)
- Side stands with ignition cut-out switch

Electrical system

- Height-adjustable free-form headlights: round headlights with Chrome ring, BMW logo and forged bracket
- Speedometer with digital display: Digital clock, dual odometer and trip distance counter, average speed and average fuel consumption; service date and remaining distance until next service is required; kilometres covered shown on the fuel reserve indicator; error indicator light/engine management; where applicable, settings for anti-theft alarm system or status of heated grips (if fitted)
- Power socket
- CAN bus with Single Wire System (SWS)
- Electronic immobiliser
- Diagnostic interface
- Hazard warning lights
- 720-W generator
- Glass indicator, white and LED tail light with dynamic brake light

Equipment

- Two-part seat (seat height: 805 mm; step length: 1,785 mm)
- Steel fuel tank in vehicle colour
- One key system for all locks
- Pillion passenger foot pegs with pillion frame can be removed
- Brake lever and clutch lever adjustable – multiple settings
- On-board literature and tools

Special features

- Pillion frame can be removed for solo riding

Colours

- NOY Paintwork in Catalano Grey/Seat in Black/Frame in Matt Black

OPTIONAL EQUIPMENT.

Optional equipment available at no extra cost

- 91 octane (RON) Option code 639

Optional equipment available at an extra charge

- ASC (Automatic Stability Control), switchable Option code 650
- Hand-brushed aluminium tank with smooth welded seams Option code 17A
Cannot be used with BMW Motorrad Spezial paintwork.
- Hand-brushed aluminium tank with visible welded seams Option code 17B
Cannot be used with BMW Motorrad Spezial paintwork.
- Wire wheels Option code 145
- Chrome-plated exhaust manifold Option code 340
- Lowered suspension (seat height: 775 mm / step length: 1,730 mm) Option code 499
- Heated grips Option code 519
- White LED indicators Option code 590
- Anti-theft alarm system Option code 603

Aluminium tanks, wire wheels, chrome-plated exhaust manifold, heated grips, LED indicators and anti-theft alarm system can also be retrofitted as Original BMW Motorrad accessories.

Illustrations may show optional equipment.

BMW MOTORRAD SPEZIAL.

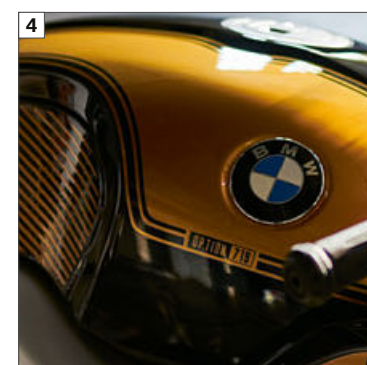

UNIQUE STYLE AND PREMIUM TECH FOR YOUR BMW R NINE T PURE.

Option 719, BMW Motorrad Spezial, offers high-quality customisation options ex works. Choose from the meticulously made Classic, Storm and Club Sport milled parts packages to give your bike its own distinct character. In addition, there are individual special paintwork options that are perfectly tailored to the vehicle design and are painted by hand. BMW Motorrad Spezial gives you a unique look for your bike ex works.

All Option 719 milled part packages for the BMW R nineT Pure include cylinder head covers, oil filler screws, belt covers, 5-point adjustable brake and clutch levers, fluid reservoir caps, seat mounts, 12-point adjustable rider foot pegs and pillion foot pegs.

1 Option 719: Classic milled parts package

Minimalistic, elegant and striking: the Option 719 Classic milled parts package has an exquisitely pure design. Lovingly milled contouring and the exclusive insignia exude elegance and charm. An anodized aluminium coating protects the surfaces.

Option code 796

2 Option 719 Storm milled parts package

Robust and powerful: the Option 719 Storm milled parts package comes in harmonious shades of grey. The forged aluminium slugs are elaborately finished, while the milled insignia adds character. An anodized aluminium coating gives the milled parts their colour and protects the surfaces.

Option code 797

3 Option 719 Club Sport milled parts package

Dark, handsome, premium: the Option 719 Club Sport milled parts package combines black and gold anodized aluminium. Aluminium forged slugs with finely milled contours and insignia create a stylish impression. A coating gives the milled parts their colour and protects the surfaces.

Option code 798

4 Paintwork: Option 719 Black Storm Metallic/Aurum*

The Option 719 Black Storm Metallic/Aurum includes a steel tank in the special paintwork Black Storm Metallic/Aurum which was manufactured manually and using mixing technology. In combination with the front wheel mudguard in Blackstorm Metallic, it perfectly accentuates the bike's puristic design.

Option code H05

5 Paintwork: Option 719 Black Storm Metallic/Light White

The Option 719 Black Storm Metallic/Light White includes a steel tank in the special paintwork Black Storm Metallic/Light White which was masked and painted manually. In combination with the front wheel mudguard in Light White, it perfectly accentuates the bike's puristic design.

Option code H06

* Model shown: Option 719 Spezial paintwork using the BMW R nineT Racer.

ORIGINAL BMW MOTORRAD ACCESSORIES.

HP PARTS.*

HP carbon bolt-on parts

Superlative performance is a given with these HP parts. They're elegant, exclusive and durable – each one a masterpiece in its own right. And if perfection's what you're after, you've hit the jackpot. They're made of carbon, the ultimate lightweight material. An unbeatable combination of stylish looks and technical expertise.

The installation manual is available for download from the BMW Motorrad website.

- 1** • HP carbon mudguard, front
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.
- 2** • HP carbon cover intake snorkel
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.
- 3** • HP carbon cover intake snorkel
(+) Mounting parts
- 4** (+) HP carbon throttle body trim
(+) Mounting parts
- 5** • HP carbon ignition switch/steering lock cover
- 6** • HP carbon seat hump cover
For solo riding only.
Recommended if pillion seat is not fitted.
The rear bag, seat hump cover and pillion comfort seat cannot be combined.
(+) Padding for seat hump (not shown)
- 7** (o) Padding for custom seat hump
(+) Mounting parts

HP PARTS.*

HP sport silencer

A top-class feature for top quality sound. The HP sports silencer is made entirely of titanium and is characterised by a powerful sound and an attractive sporty appearance. The slip-on silencer weighs only 1.8 kg and is available in a low or high installation variant. The side surface is provided with a lasered HP logo.

The repair manual can be downloaded from the BMW Motorrad website. Variants without pillion frame are only for solo riding; for aesthetic reasons we recommend combining this item with the main frame screw cover (because the pillion frame is not fitted).

- 8** • HP sport silencer
(o) HP sports silencer, Black (not shown)
- 9** • Low, with pillion frame – short crossover pipe
- 9** • Low, without pillion frame – short crossover pipe
(+) Mounting parts
- 10** • High, without pillion frame – long crossover pipe
(+) Mounting parts

HP pillion passenger foot pegs

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- HP pillion passenger foot pegs (not shown)
- 11** • HP pillion passenger foot pegs, black

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

For more detailed information, contact your BMW Motorrad dealership or go online at bmw-motorrad.com.

(+) = "and" position must be ordered alongside it
(o) = "or" position can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

STORAGE.*

Tankbag/tankbag, leather edition

Practical and stylish, the waterproof canvas tankbag offers 11 l of storage space. Available in two material/colour combinations.

- 1 • Tankbag, 11 l
- 2 (o) Tankbag, leather edition, 11 l
- (+) Mounting parts

Small tankbag/Small tankbag, leather edition

Stylish and compact canvas bag for carrying a smartphone and sunglasses. Available in two material/colour combinations.

- 1 • Small tankbag, 1.5 l
- 3 (o) Small tankbag, leather edition, 11 l
- (+) Mounting parts

Rear bag/rear bag, leather edition

Planning a trip? The waterproof rear bag is made of canvas and offers a full 40 l of storage space – bags of room for all the essentials. Available in two material/colour combinations.

For solo riding only.
Not available in conjunction with a luggage rack.
The rear bag, seat hump cover and pillion comfort seat cannot be combined.
Not for use when Scrambler single seat or pillion comfort seat is fitted.
Rear bag cannot be combined with side bag(s).

- 1 • Rear bag, 40 l
- 4 • Rear bag, leather edition, 40 l

STORAGE.*

Side bags/side bags, leather edition

The side bags combine classic design with modern fastening technology. With a total volume of 23 l, they provide plenty of space for long trips and everyday riding. Available in two material/colour combinations.

The repair manual can be downloaded from the BMW Motorrad website.
Rear bag cannot be combined with side bag(s).
Left side bag can only be fitted with a silencer in the low position.

- 1 • Right side bag, 14 l
- 5 (o) Right side bag, leather edition, 14 l
- (+) Mounting parts
- 1 • Left side bag, 9 l
- 6 (o) Left side bag, leather edition, 9 l
- (+) Mounting parts

Luggage rack

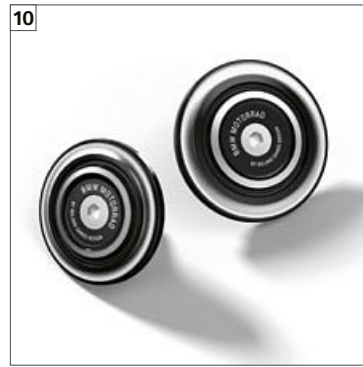

The classic stainless steel luggage rack is the ideal choice for solo riders who want to carry more luggage instead of a passenger.

For solo riding only.
The repair manual can be downloaded from the BMW Motorrad website.
Only available in conjunction with the single seat for luggage rack in Red (see image) or Brown.
Not available in conjunction with the rear bag.

- Luggage rack

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer. For information on speed and load limitations, please refer to the instruction booklet.

(+) = "and" position must be ordered alongside it
(o) = "or" position can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

DESIGN.*

BMW Motorrad Machined Parts

Each unique, lovingly crafted BMW Motorrad Machined Part is designed to make the BMW R nineT Pure even more stunning. The designs are the result of close collaboration with Roland Sands, the Californian designer, trendsetter and customisation expert. So all BMW Motorrad Machined Parts also feature the "by Roland Sands Design" signature logo. The high-quality surfaces of these aluminium parts boast bold contrasts in Glossy Black and are produced in a series of complex processing steps, some of which are performed manually. All BMW Motorrad Machined Parts can be combined with the full range of Original BMW Motorcycle accessories, allowing you to transform the BMW R nineT Pure into your own ultra-personalized ride.

- 1** • Machined cylinder head covers
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- 2** • Machined front brake fluid container cover
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- Machined clutch fluid container cover (not shown)
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- 3** • Machined handlebar clamping
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- 4** • Machined oil filler cap
- 5** • Machined belt cover
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- 6** • Machined headlight cover
To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
- 7** • Machined handlebar end covers
- 8** • Machined rear axle cover
- 9** • Machined angular gearbox mount cover
- 10** • Machined swing-arm pivot cover

DESIGN.*

- 11** • Milled footrest system
CNC-milled foot pegs combine aesthetic appeal with exceptional functionality. A wide range of adjustment options offer riders everything they need when it comes to ergonomics and track-style riding.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Milled foot pegs (left and right)
- (+) Mounting parts

- 12** • Milled hand lever
The ergonomically optimised hand levers made of black anodised aluminium are adjustable and underline the individuality of the machine.

The repair manual can be downloaded from the BMW Motorrad website.

- Milled brake lever
- (+) Milled clutch lever (not shown)

- Hand-brushed aluminium tank
Thanks to its unique surface structure, the hand-brushed aluminium tank is particularly elegant and exclusive. It is manufactured according to high BMW quality standards and radiates genuine manufacture character through visible manual work. Also available as an equipment option.

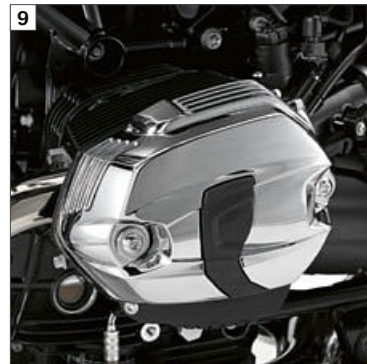

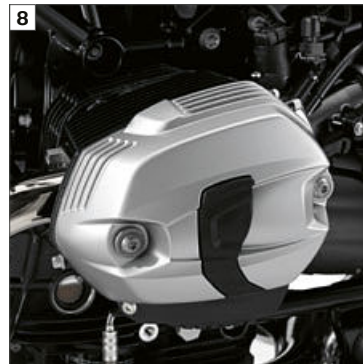

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 13** • Hand-brushed aluminium tank with visible welded seam
- 14** (o) Hand-brushed aluminium tank with smooth welded seam
- (+) Mounting parts

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

DESIGN.*

BMW Motorrad Aluminium Parts

These high-quality aluminium parts lend each motorcycle its own distinctive look. Every part is guaranteed to turn heads.

The repair manual can be downloaded from the BMW Motorrad website.
Seat hump covers for solo use only; recommended for disassembled passenger seat.
The rear bag, seat hump cover and pillion comfort seat cannot be combined.

- 1 • Hand-brushed aluminium windshield
(+) Mounting parts
- 2 • Hand-brushed aluminium radiator trim
• Hand-brushed aluminium triangular frame cover (not shown)
- 3 • Aluminium seat hump cover
(+) Mounting parts
- 4 • Hand-brushed aluminium seat hump cover
(+) Padding for seat hump
(o) Padding for custom seat hump cover (not shown)
(+) Mounting parts

6 2V-style cylinder head covers

These retro-style cylinder head covers for your boxer engine are truly a stylish blast from the past.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 2V-style cylinder head covers (left and right)

Silver, Black or Chrome-plated cylinder head covers

Different colours provide even more ways to personalize your BMW. These variants in Chrome, Silver and Black will give your motorcycle that extra-special something, no matter which one you choose.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 7 • Cylinder head covers, Black (left and right)
(+) Mounting parts
- 8 • Cylinder covers, Silver (left and right)
(+) Mounting parts
- 9 • Cylinder head covers, chrome-plated (left and right)

DESIGN.*

10 Scrambler windshield, Alpine White

The windscreen in the design of a classic race number plate has style and offers protection from oncoming wind.

The repair manual can be downloaded from the BMW Motorrad website.
Model shown: BMW R nineT Scrambler.

- Scrambler windshield, Alpine White
(+) Mounting parts

11 Race number plate, Alpine White

This classic design pays homage to the racing greats.

The repair manual can be downloaded from the BMW Motorrad website.
Model shown: BMW R nineT Scrambler.

- Race number plate, Alpine White
(o) Race number plate, Alpine White
(for HP sport silencer above)

12 Rev counter incl. on-board computer

Stay up to date with the rev counter plus gear indicator and on-board computer.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- (+) Bracket for twin instrument cluster, Matt Chrome-plated
- (o) Bracket for twin instrument cluster, Black
- (o) Halter Doppel-Instrumentenkombination schwarz
Fits housing for standard speedometer.

13 Instrument cluster housing, Matt Chrome-plated

This stylish Matt Chrome housing beautifully frames the instrument cluster.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
For aesthetic reasons we recommend also replacing the standard speedometer housing (two required).
Fits both standard speedometers and optional rev counters.

- Instrument cluster housing, Matt Chrome-plated

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

For more detailed information, contact your BMW Motorrad dealership or go online at bmw-motorrad.com.

(+) = "and" position must be ordered alongside it
(o) = "or" position can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

DESIGN.*

Ignition switch/steering lock cover, Granite Grey

The cover for the ignition switch/steering lock in granite grey sets a colour accent.

The repair manual can be downloaded from the BMW Motorrad website.

- Granite Grey ignition switch/steering lock cover (not shown)

1 Handlebar end covers

The covers for the handlebar ends of the BMW R nineT in Silver are a visual highlight and emphasize the individual character of the bike.

The repair manual can be downloaded from the BMW Motorrad website.

- R nineT handlebar end cover (left and right)
- (+) Mounting parts

2 Classic emblem

The Classic emblem is reminiscent of the good old days and perfectly rounds off the Heritage look.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Classic emblem
- (+) Mounting parts

3 Knee pads

The ergonomically shaped knee pads made of black rubber protect the tank from scratches on both sides.

The repair manual can be downloaded from the BMW Motorrad website.

- Knee pads

4 R nineT wire wheels

The high-quality wire wheel of the BMW R nineT perfectly rounds off the classic Heritage look. Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.
Model shown: BMW R nineT.

- R nineT wire wheels (front and rear)
- (+) Mounting parts

DESIGN.*

5 R nineT silencer

An eye-catching addition: the high-quality dual silencer on the BMW R nineT is retrofittable on all other Heritage models

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- R nineT silencer

6 Scrambler silencer

The Scrambler's double-flow standard silencer also allows the other Heritage models to be optically charged.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

Only available in conjunction with the pillion frame or with a Scrambler silencer bracket (without pillion frame).
For visual reasons the combination with the cover for the main frame screw connection is recommended with the pillion frame removed.
Model shown: BMW R nineT Scrambler.

- Scrambler silencer
- (+) Mounting parts

7 Main frame screw cover

The cover of the main frame screw connection is the elegant solution when the pillion frame is removed. For this purpose, the open screw connection of the main frame is covered with an aluminium double sleeve.

For solo riding only.
The repair manual can be downloaded from the BMW Motorrad website.
Recommended if pillion frame is not fitted (two required for lower position, one required for higher position).

- Main frame screw connection cover (1 item)

8 Chrome-plated exhaust manifold

The chrome-plated exhaust manifold adds a dash of elegance to the standard silencer or HP sport silencer.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Chrome-plated exhaust manifold

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

For more detailed information, contact your BMW Motorrad dealership or go online at bmw-motorrad.com.

(+) = "and" position must be ordered alongside it
(o) = "or" position can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

DESIGN.*

1 LED indicators

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic. Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- LED indicators (front and rear)
- (+) Mounting parts

ERGONOMICS AND COMFORT.

2 Scrambler single seat, Saddle Brown

The classic Scrambler single bench in the typical Saddle Brown is the stylish solution for all those who prefer to travel solo.

For solo riding only.
The repair manual can be downloaded from the BMW Motorrad website.
Not available in conjunction with the rear bag.
Model shown: BMW R nineT Scrambler.

- Scrambler single seat, Saddle Brown
- (+) Mounting parts

Single seat for luggage rack in Red or Brown

The repair manual can be downloaded from the BMW Motorrad website.
Only available in conjunction with a luggage rack.

- Single seat for luggage rack, Red (for image, see page 12)

- 3 (o) Single seat for luggage rack, Brown

R nineT rider seat, Black

The classic black R nineT rider's seat underlines the classic look.

Only in conjunction with the BMW R nineT pillion passenger seat or the pillion comfort seat.

- R nineT rider seat, Black (not shown)
- (+) Mounting parts

ERGONOMICS AND COMFORT.*

4 Custom rider seat, Black

The Custom rider seat in black with its indicated cross stitching and details in Alcantara look sets individual accents.

Only in conjunction with the BMW R nineT pillion passenger seat or the pillion comfort seat.
Not available in conjunction with high-positioned HP sport silencer (long crossover pipe).

- Custom rider seat, Black
- (+) Mounting parts

5 Pillion comfort seat, Black

The pillion comfort seat is wider and more upholstered and therefore offers the passenger a noticeable increase in seating comfort.

The rear bag, seat hump cover and pillion comfort seat cannot be combined.
Only in conjunction with BMW R nineT rider seat or Custom rider seat; cannot be installed if there is no pillion frame.

- Pillion comfort seat, Black
- (+) Mounting parts

Top triple clamp with clip-on handlebars and rev counter (not shown)

Clip-ons let you really lean into the front wheel and give your BMW an even more dynamic look.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

From an ergonomic point of view, we recommend that you install the driver's foot pegs.

- Top triple clamp with clip-on handlebars and rev counter

6 Heated grips retrofit kit

Warm hands feel good, which is why these heated handlebar grips have two settings designed to keep hands and fingers pleasantly warm. Also available as an equipment option.

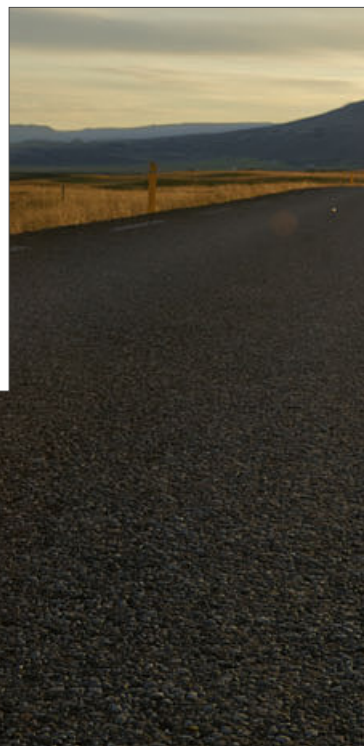

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Heated handlebar grips retrofit kit
- (+) Mounting parts

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

(+) = "and" position must be ordered alongside it
(o) = "or" position can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

NAVIGATION AND COMMUNICATION.*

BMW Motorrad navigation systems

Where am I? Where do I want to go, and what's the most scenic way to get there? BMW Motorrad navigation devices show you where to go. Made specifically for motorcyclists, they're easy to fit and use – even with gloves on – and come with lifetime map updates.

Not only touring fans will have plenty of choice with the Navigator VI. The system makes route planning child's play and offers numerous additional functions that make every tour an exciting experience. The five inch touch screen is waterproof, easy to read even in direct sunlight and ensures that you can see the big picture required in every situation.

Thanks to Bluetooth® technology, the sophisticated BMW Motorrad Navigator Street (with easy-to-read 4.3" display) is compatible with the optional BMW Motorrad communication system and comes with a host of handy features.

BMW Motorrad navigation systems only available in conjunction with bracket for BMW Motorrad navigation systems.

- 1 • BMW Motorrad Navigator VI
- BMW Motorrad Navigator VI (without map data)
- (+) 4-button cradle mount
- 2 • BMW Motorrad Navigator Street

3 Bracket for BMW Motorrad navigation devices

The bracket for the BMW Motorrad navigation devices is attached to the handlebar clamp or head tube within the rider's field of vision.

The repair manual can be downloaded from the BMW Motorrad website. Cannot be used in connection with the top triple clamp with clip-on handlebars.

- Bracket for BMW Motorrad navigation devices
- (+) Mounting parts

Car kit for BMW Motorrad Navigator VI (not shown)

In conjunction with the optional car kit, the BMW Motorrad Navigator VI can also be used in a car and charged.

- Car kit for BMW Motorrad Navigator VII

NAVIGATION AND COMMUNICATION.*

4 BMW Motorrad smartphone cradle

BMW Motorrad's robust smartphone cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation information and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is also always ready for action on extended bike tours.

Only possible in combination with bracket for BMW Motorrad navigation devices.

- BMW Motorrad smartphone cradle

5 Dual USB charger

You've got the power! The dual USB charger can charge up to two mobile devices (smartphone, MP3 player, tablet, digital camera, etc.) at the same time during your journey, via the 12-volt socket. It charges all of the latest smartphones in quick time with a maximum current of 2 x 2 amps.

- BMW Motorrad dual USB charger with 60 cm cable
- BMW Motorrad dual USB charger with 120 cm cable

BMW USB adapter

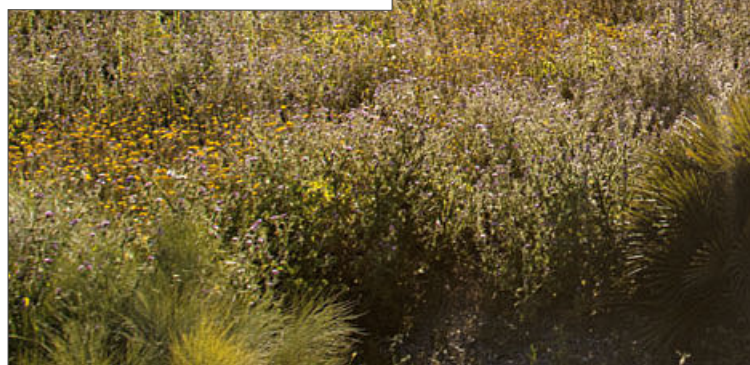

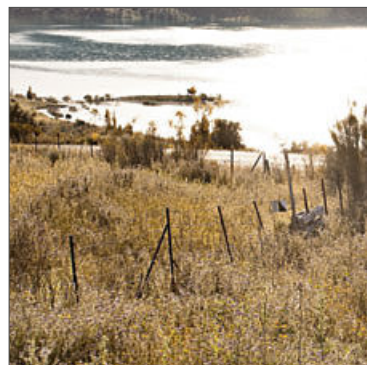

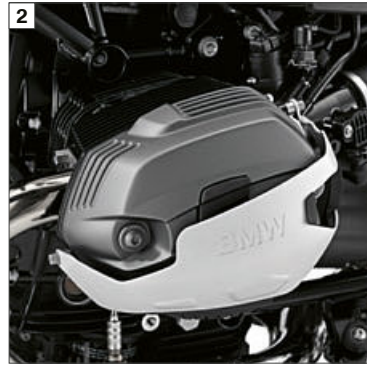

Only in combination with BMW dual USB charger.

- BMW lightning USB adapter (not shown)
- BMW micro USB adapter (not shown)

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

SAFETY.*

1 Plastic cylinder head cover guard

The glass fibre reinforced plastic cylinder head cover protects the cylinder head from damage and accentuates the design of the boxer engine.

The repair manual can be downloaded from the BMW Motorrad website.

- Plastic cylinder head cover guard

2 Aluminium cylinder head cover guard

Made of anodized aluminium, the cylinder head cover guard protects the cylinder head from damage and makes the machine more visually striking.

The repair manual can be downloaded from the BMW Motorrad website.

- Aluminium cylinder head cover guard

3 Hand protectors

For effective offroad protection against wind, rain, low branches and flying stones.

The repair manual can be downloaded from the BMW Motorrad website.

- Hand protectors (left and right)

4 Protective grille for headlight

The protective grille for the headlight provides offroad protection against flying stones or branches.

The repair manual can be downloaded from the BMW Motorrad website. For off-road use only (not homologated for road use).

- Protective grille for headlight

5 Safety screw for oil filler cap

Small, yet refined: this safety screw is made of milled aluminium and prevents unauthorized removal of the oil filler cap.

- Safety screw for oil filler cap

SAFETY.*

Anti-theft alarm system retrofit set (not shown)

The anti-theft alarm system responds to movement and vibrations with a clearly audible signal and a flashing warning light. Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Anti-theft alarm system retrofit set

(+) Mounting parts

6 Brake disc lock with anti-theft alarm system

Double protection from theft: The brake disc lock with anti-theft alarm system is the ideal theft deterrent when you're out with your bike. The lock made of hardened steel provides reliable protection against manipulation and is easy to store thanks to its compact dimensions. The anti-theft alarm system responds to movement and vibrations with a clearly audible signal.

- Brake disc lock with anti-theft alarm system

First-aid kit (not shown)

Compact waterproof case containing bandages and dressings. The large first-aid kit also complies with the DIN standard for motorcycle first-aid kits.

- First-aid kit, large
- First-aid kit, small

MAINTENANCE AND TECHNOLOGY.

7 Multi-purpose toolkit

It's essential for every rider, whether at home or out on tour. Practical, light and easy-to-use, the BMW Motorrad multi-purpose toolkit is ideal for carrying out simple maintenance and care tasks, as well as for making ergonomic adjustments on your bike.

- Multi-purpose toolkit

8 Mini foot pump

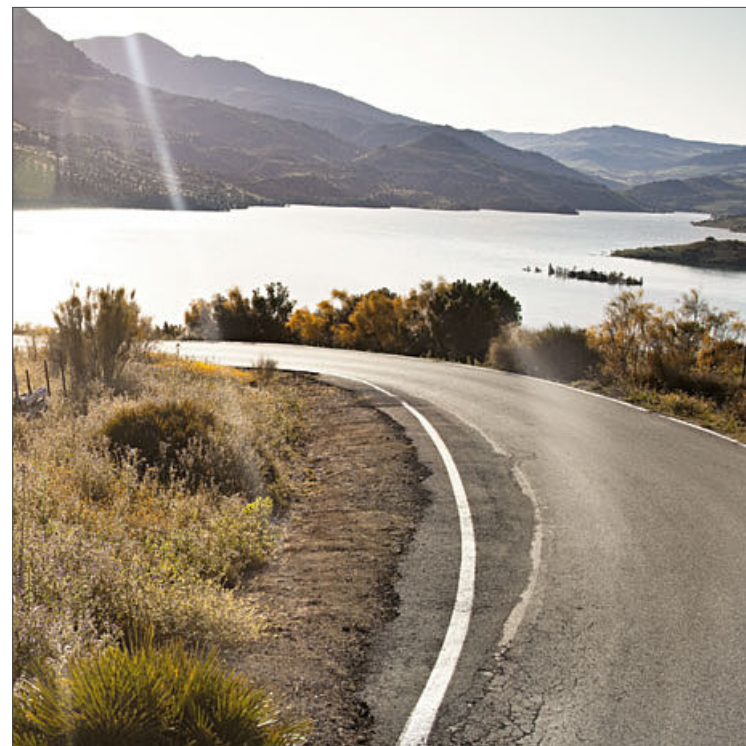

Versatile and compact air pump with digital pressure gauge. Practical for checking the tyre pressure while out on tour.

- Mini foot pump

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

RIDER EQUIPMENT.

1 San Diego jacket

Ride with style this summer – in a classic mix of waxed fabric and abrasion-resistant leather. You can even remove the shoulder and elbow protectors to wear it as a casual jacket around town. It's incredibly comfortable, with enough pockets for all your bits and pieces. Perfect for everyday use.

2 CityDenim trousers

A relaxed fit, NPL protectors (removable from the outside) and a robust blend of cotton and Cordura mean you can transform these casual motorcycling trousers into stylish leisurewear in a matter of seconds.

3 Rockster gloves

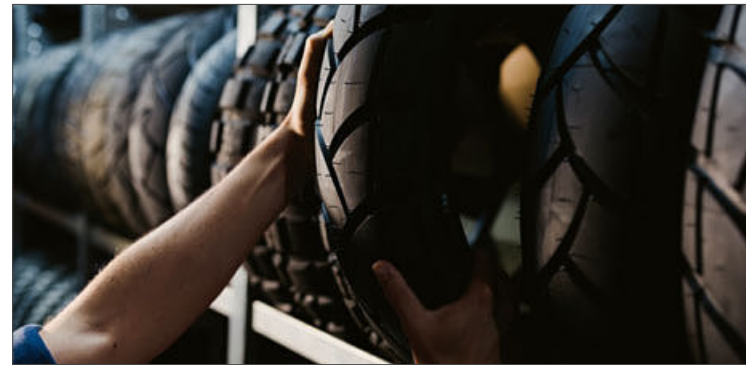

The lightweight Rockster leather glove is ideal for warmer temperatures. Perforations on the sides ensure excellent air circulation, while the unlined palm allows for an unencumbered grip.

4 Urban boot

Everything you need in a short-shaft motorcycling boot. Special hydrophobic treatment ensures the cowhide leather is both water-repellent and breathable. The boot is reinforced at the heels and toes, and features elastic material around the ankle for added comfort.

Find out about these items and other rider equipment at your BMW Motorrad dealer or at bmw-motorrad.nsc/ride

SERVICES FROM BMW MOTORRAD.

BMW Motorrad Service

The extensive service network of BMW Motorrad ensures your bike gets the care it deserves. There are over 140 BMW service centres in Germany alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their outstanding quality of service is based on reliability and speed whenever spare parts are needed, competent advice for riders, as well as excellent workshop performance. This has earned them exceptional ratings from many leading bike magazines.

BMW Motorrad online

To find out more about BMW Motorrad and our product range, visit our website at bmw-motorrad.com. Explore the BMW Motorrad VirtualCenter, our online virtual showroom. There you will find the BikeConfigurator, for example, which allows you to configure your personal dream bike with just a few mouse clicks. You can then request a no-strings quote for your individual bike, book a test ride or order current brochures.

Globetrotting bikers will find a wealth of information at the Travel Point: bmw-motorrad.com/travelpoint

And you'll find full details of the BMW Motorrad rider equipment range at bmw-motorrad.com/riderspoint

BMW Motorrad mobility services

BMW Motorrad also prides itself on the quality of the aftersales care it provides. BMW Motorrad mobility services are a perfect example of this. With our free and comprehensive mobility services, you have the best possible protection in the event of a breakdown. Around the clock, every day of the year. And this cover applies irrespective of whether you bought your bike new or pre-owned.

BMW Motorrad mobility services ensure unrestricted mobility. You can count on receiving professional assistance not just at home, but also elsewhere in Europe. Qualified specialists will do everything possible on-the-spot to get your BMW bike back on the road. If this is not possible, BMW Motorrad mobility services ensure that you can continue your journey without interruption. So that you always reach your destination.

Ask your BMW Motorrad dealer for more information or visit bmw-motorrad.com

BMW Financial Services

Freedom on two wheels. BMW Financial Services helps you to get the most out of your riding experience. Financial services are very similar to configuring your own personal bike: an individual solution is always best. And that is particularly true when it comes to your mobility.

Finance

BMW Financial Services offers convenient finance solutions that are tailored to your individual needs.

BMW Basic Finance

Choose a term (12 to 72 months) with a downpayment and instalments to suit your budget. Get your personal quote from your BMW Motorrad dealer.

BMW Final Instalment Finance

This finance option provides you with added flexibility. You make a downpayment at the start, and then pay low monthly instalments for your chosen term of 12 to 54 months. The balance is then due as a final instalment at the end of the term.

BMW Select

All the freedom you need with BMW Select. You benefit here from the advantages of a highly-flexible concept that offers terms between 12 and 47 months with a low monthly instalment, since the regular monthly payments are based on your mileage. At the end of the contract, you are completely free to choose one of three options – keep the bike, continue financing or return it to your BMW dealer.

BMW Leasing

This is perhaps the most fascinating way of reducing the strain on your budget. Instead of paying the complete purchase price of the bike, you simply pay monthly instalments. You can decide on the amount of the monthly instalment by choosing the contract term and mileage that best meet your needs and also by making an upfront payment if you wish.

MAKE YOUR DREAM A REALITY WITH 3ASY RIDE.

BMW Financial Services. BMW Financial Services offers tailored financial solutions to help you experience the freedom and excitement of riding. For more information, get in touch with your BMW Financial Services contact at bmw-motorrad.com/3asyride
